

# Comeau Aerospace Inc.

## CAI-Investor Relations

Comeau Aerospace Inc. Investment Vision is integrated with our Vision, which includes a vast panorama of options. Right now, as a private company, private securities are acquired and managed through Capital Vault Incorporated, and as private members involved in Private Equity and Venture Capital (PE & VC) the Member/Investor is actually a co-trustee and is involved in active management and is the one who decides upon investment and resource allocation. This understanding and operational ability is documented with the CVI-Private Member Agreement and corresponding CVI-Options. There are many advantages and options to explore and discover with Capital Vault Incorporated at their website found at <https://www.capital-vault.ca> for more details.
