

Comeau Aerospace Inc. - Advanced Projects
The Ultimate Flying Machine Design Engineering Projects
CAI-820 Castle : ACI-820 Chateau

- bold, massive, awesome, futuristic aerial carrier - the flying castle,
- practical and advanced with old world charm, tradition and purpose;
- strategic mission tasking fully loaded;
- tactical - stockpile and deploy, resupply, movable home base;
- operational - command centre, C5ISR, heavy lift, armored, local and long range;
- conventional and advanced propulsion;
- tactical airlift - vtol, stol, ctol - for demanding mission tasking - low and high speed;
- ctol: runway conventional takeoff and landing;
- rough terrain and topography elements, super custom landing gear options;
- general building capacity logistics - 50' x 100' - production, housing, medical, supply etc.;
- craft in craft - multiple UFM total logistics platform;
- facilities/building in craft - general and custom built to spec's logistics;
- containerized, fuel, food, materials, personnel, machinery & tools;
- independent, secure air, food, fuel, energy and water supply;
- en route and direct to the door, asset precision drop and extraction;
- land and atmospheric operating environments;
- extreme defensive positions and offensive capabilities from all attack vectors;
- conventional and advanced weapon systems and augmented UFM deployment;
- very low signature notwithstanding size, lift and propulsion factors;
- increased magnitude of structural integrity and performance;
- extreme descent/approach or climb in mountain, forested or city operating environments;
- extremely interesting performance and mission tasking;
- design elements for immediate and long term multi-generational development programs;
- built for multi-dimensional chess, medieval and future advanced war vector scenarios;

Now to be the king of the castle, is that the dream of every man?
How do you know whether yes or no, that you were meant to live in a castle?
To rendezvous there, a moment of frozen time...a past life, a future life waiting for you.

There is something about the adventurous life on earth, as it is in heaven,
seek first the kingdom of God and all these things will be added unto you...
that must certainly include the Castle, right?

The CAI-820 Castle

Now, who wants to play king of the castle?
